

# Fabulous Design

The stamp of elegance is unmistakable. The all new Škoda Fabia, decidedly, looks the part. The distinctive European lines combine with the new front bumper and a sportive front lip spoiler which give a low and athletic frontal expression. The new contours of the bonnet go well with the refreshing bold look of the chrome grille-surround. While the elongated headlamps and fog lamps stretch outwards to the side and impress upon the width of the car.

Fabia

Even the wheel caps feature three-dimensional contouring for a more muscular look. What's more, you can get your Fabia in a fabulous range of colours. Step inside, and enter a spacious cocoon of refinement with ivory-hued interiors and upholstery, complemented by a dash of chrome, along with a padded soft-touch dashboard. While a new instrument panel cluster with a prominent graphical display adds a touch of the mod to the overall décor.

# Fabulous Safety •-

The all new Škoda Fabia goes to great lengths to protect and reassure you and your dear ones. Because great thought has gone into every detail when it comes to safety. Allow us to elucidate:

- ABS (Anti-lock Braking System) with EBC (Engine Braking Control) and Dual Rate Brake Assist maximise control on the roads
- Dual Front Airbags for the driver and the front passenger provide maximum protection

- When airbags are deployed, a whole range of intuitive functions are activated to enhance safety – central door locks are released, interior lights and hazard lights are switched on and fuel supply is cut off
- Other thoughtful additions that go a long way to increase safety are the front and rear fog lamps, anti-glare rearview mirror, adjustable front seatbelts and adjustable front and rear head restraints

# Fabulous Security •--

The all new Škoda Fabia not just keeps you safe, but itself secure too. So, you can leave your car behind with peace of mind.

 Engine Immobiliser with Floating Code System changes the security code each time the key is pulled out of the ignition lock, making it virtually impossible for the code to be detected

- Remote control locking and unlocking of doors and luggage compartment
- Security code for the audio player deters theft

## Fabulous Comfort •-

The all new Škoda Fabia gives highest consideration to your comfort levels on the drive. It has been designed for the smoothest, quietest and most satisfying drive on the road. While making sure you look your best at all times, of course.

- The powerful AC with rear vents keeps all passengers equally cool inside, while the dust and pollen filter keeps the air pristine
- All power windows feature one-touch operation with bounceback system. With comfort operation, all power windows can be opened or closed from outside the car.

- A reading lamp at the rear allows passengers in the backseat to catch up on their reading on the move
- The advanced Škoda Beat 2-DIN integrated audio player keeps you entertained and the Aux-In socket provides audio playback from a portable media player
- The height adjustable driver's seat along with a height & length adjustable steering wheel allows you to custom-fit your driving position to your preferred driving posture

## Fabulous Convenience •-

The all new Škoda Fabia features a host of thoughtful conveniences. Just the little extras that make all the difference between a good experience, and a great one.

 Keeping your gadgets charged on the move becomes easy with the 12V Power Socket in the centre console

- Thoughtfully, the lower glovebox and the luggage compartment illuminates when in use
- The new Multi Function Display conveniently shows travelling time, distance travelled, average speed, immediate fuel consumption, average fuel consumption, travel distance before refuelling, service interval, outside temperature and the time, at the touch of a button

# Fabulous Space •--

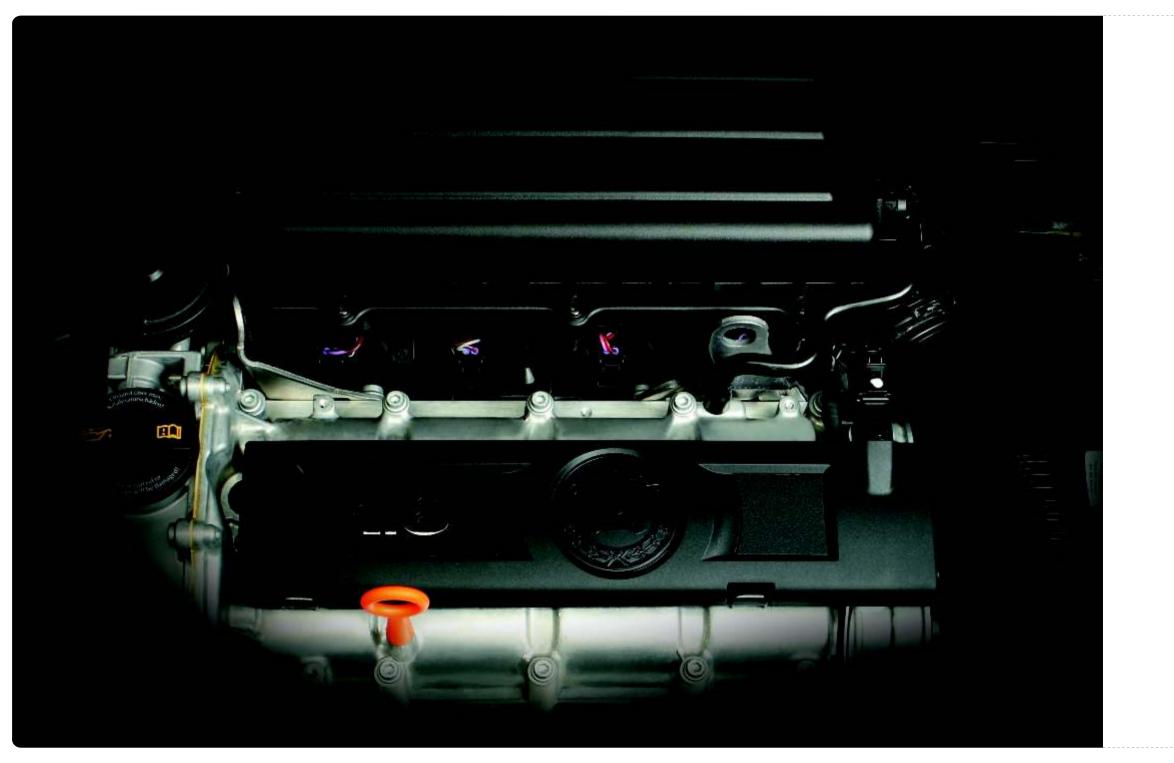

The all new Škoda Fabia is a delightful paradox: compact on the outside, roomy on the inside. This elegant hatchback is indeed a very spacious vehicle. There has been no skimping on head, elbow or leg room. And it doesn't end there. Even when it comes to storage, you will get more than you would have asked for.

 The largest luggage compartment in its class with 315 litres of space

- A completely folding rear seat backrest allows you to carry more when you need to
- The removable rear parcel shelf, with twin level adjustment, can be conveniently stored away behind the rear seat to free up vertical space for tall luggage
- Dual gloveboxes for your knick-knacks

# Fabulous Engines •--

The all new Škoda Fabia is all new under the hood. You can feel quietly confident of zipping past the ordinary with the highest performance petrol engine in this class, the new 1.6 MPI (petrol). Or go for the refined pep and efficiency of the new 1.2 MPI (petrol).

There's also a new diesel engine, the 1.2 TDI CR with Common Rail Technology. It is quiet and rearing to go the distance with exceptional fuel economy.

What you are assured of from all three engines, however, is smooth, seamless power delivery, and greater torque with lower fuel consumption.

#### The 1.6 MPI

Indulge in spirited driving with the best in class performance of the 1.6 MPI petrol engine. It will suit the thrill seeker in you who wants the muscle of high power and torque coupled with the agility and nimbleness of a hatchback car.

#### The 1.2 MPI

For regular city driving, the 1.2 MPI petrol engine, with strong pulling power will suit the cut and thrust of urban traffic. This smooth and peppy motor delivers quietly and economically.

#### The 1.2 TDI CR

The 1.2 TDI CR diesel engine with Common Rail Technology will interest high mileage users because of its low fuel consumption. The achievement of low noise with smooth performance will reward you with less fatigue over long distances.

# Now that's Fab There's no doubt, the all new Škoda Fabia has been designed to impress. In every aspect. Be it the timeless elegance of its design, the new range of power-packed, yet refined engines, its unmatched fuel efficiency, generous spaciousness, uncompromising safety standards, and the stamp of quality of its illustrious pedigree. Indeed, Fab on wheels. Fabia
